PUTTING DOWN ROOTS

A campaign for a new home for Wildlife Rescue League

PUTTING DOWN ROOTS CAPITAL CAMPAIGN
WILDLIFE REHABILITATION CENTER
REMAINING RECOGNITION OPPORTUNITIES

Thank you for supporting Wildlife Rescue League's efforts to build a permanent home for our programs and preserve over 94 acres of the natural world where thousands of the region's wild animals call home.

The following recognition opportunities are available at the commitment levels below. Opportunities are reserved when a pledge is confirmed.

$1,000,000 Gift Level

WRL Wildlife Rehabilitation Center

The new 2,000-square-foot Wildlife Rehabilitation Center is located on 94.5 acres. Once open, this remarkable new wildlife resource will allow Wildlife Rescue League to expand its service area, provide more support for its volunteers, care for animals with more complex needs, and save more animal lives every year.

Donors will be recognized on the primary honor wall in the reception area and on a plaque outside the facility noting the dedication of the facility.

$500,000 Gift Level

Lobby and Reception Area

The new facility's lobby and reception area is the primary entry point for the public, volunteers, and staff.

Donors will be recognized on the primary honor wall in the reception area and on a plaque within the lobby noting the dedication of this space.

$250,000 Gift Level

Learning Center

The new Learning Center, which features an outdoor classroom and sustainable landscaping, allows for on-site training and educational programs for volunteers, rehabilitators, and community groups.

Donors will be recognized on the primary honor wall in the reception area and on a plaque outside the learning center noting the dedication of this space.

$100,000 Gift Level

Outdoor Enclosures - *7 opportunities*

The outdoor enclosures will provide species-specific spaces that meet the needs of diverse animals on their journey to recovery. **Recognition opportunities exist for the outdoor enclosures for flight, raptors, large mammals, fawns, small mammals, small birds, and bats**.

Donors will be recognized on the primary honor wall in the reception area and on a plaque outside each enclosure noting the dedication of this space.

$50,000 Gift Level

Wildflower Garden

This serene garden will be a vibrant space filled with native wildflowers. It will provide an essential habitat for pollinators and a tranquil retreat for visitors and staff.

Donors will be recognized on the primary honor wall in the reception area and on a plaque placed alongside the garden noting the dedication of this space.

Pond

As a vital ecosystem on the property, the pond will provide a natural habitat for aquatic and semi-aquatic species, contributing to the rehabilitation of injured or orphaned waterfowl, amphibians, and other wildlife.

Donors will be recognized on the primary honor wall in the reception area and on a plaque placed alongside the pond noting the dedication of this resource.

$25,000 Gift Level

Patient Rooms - *3 opportunities*

Patient rooms provide a controlled environment for initial assessments, wound care, and stabilization, minimizing stress and promoting recovery.

Donors will be recognized on the primary honor wall in the reception area and on a plaque outside each patient room noting the dedication of this space.

Front Porch

A welcoming gathering space just outside the center, the front porch offers visitors, volunteers, and staff a place to pause, connect, and take in the natural beauty of the property.

Donors will be recognized on the primary honor wall in the reception area and on a plaque on the front porch noting the dedication of this space.

$10,000 Gift Level

Kitchen

This essential space will be outfitted with specialized equipment for preparing species-specific meals for small mammals, birds, reptiles, and waterfowl.

Donors will be recognized on the primary honor wall in the reception area and on a plaque outside the kitchen noting the dedication of this space.

$5,000 Gift Level

Birdhouses - *1 remaining opportunity*

These charming birdhouses will provide safe nesting spots for native bird species, enhancing the property's natural habitat and offering visitors a chance to observe and appreciate local wildlife.

Donors will be recognized on the primary honor wall in the reception area and on a small plaque on each birdhouse noting the dedication.

Honor Wall

All capital campaign donors who give $1,000 or more will be recognized on an honor wall in the new center's reception area unless otherwise requested.

Personalized Plaques

All donors who participate in recognition opportunities will have a plaque by their dedicated space listing their name and/or the name of a loved one.
